Third-Party Software Policy

Any links to third-party software or third-party software information available on this website are provided “as is” without warranty of any kind, either expressed or implied and such software and related information is to be used at your own risk. In posting such information or links, we have relied solely on the self-certification of such third parties as to the accuracy of such information and the compatibility of such software.

The use of the third-party software links on this website and third-party software is done at your own discretion and risk and with agreement that you will be solely responsible for any damage to your computer system or loss of data that results from such activities. You are solely responsible for adequate protection and backup of the data and equipment used in connection with any of the software linked to this website, and we will not be liable for any damages that you may suffer in connection with downloading, installing, using, modifying or distributing such software. No advice or information, whether oral or written, obtained by you from us or from this website shall create any warranty for the software. We strongly advise you to perform your own due diligence regarding such information and software before utilizing such information and software.

Additionally, we make no warranties that (i) the third-party software will meet your requirements; (ii) the results from the use of the third-party software will be effective, accurate or reliable; (iii) the quality of the third-party software will meet your expectations.

We assume no responsibility for errors or omissions in the third-party software or related information and links available from its website, and in no event shall we be liable to you or any third parties for any special, punitive, incidental, indirect or consequential damages of any kind, or any damages whatsoever, including, without limitation, those resulting from loss of use, lost data or profits, or any liability, arising out of or in connection with the use of this third-party software. We also advise you that the third party software and posted third party information may be out of date, and we make no commitment to update such materials.
